

POSTER INFORMATION SHEET

The following details will assist in the preparations for your poster presentation.

- a) THE MAXIMUM DISPLAY AREA is 900mm (wide) x 1200mm (depth) - see below.
- b) Posters should be put into position from **08.00hrs on Thursday 4 April** and should remain in position for the duration of the Congress. Posters should not be removed until the lunchtime of the Saturday 6 April, unless previously agreed with the Organising Secretariat. Any posters not removed by 15.30hrs on Saturday 6 April will be destroyed; confidential disposal cannot be guaranteed.
- c) The poster area is located in the Grand Ballroom 1, on Level 1 of the Grand Hyatt Hotel. Poster presenters should report to the registration desks on **Thursday 4 April** from 08.00hrs onwards; suitable fixing materials will be available and provided to you.
- d) Each poster will be allocated a specific display panel denoted by a card showing the poster number. **Please note that this poster display number will be different to the 7-digit file reference number being quoted in correspondence prior to the meeting.** There will be a short reception around the posters on the evening of Thursday 4 April between 18.30–19.15hrs and on the evening of Friday 5 April between 18.00–18.45hrs. Poster presenters are asked to be by their posters during this time to assist with questions that colleagues may have about the data being presented. In addition, authors are requested to be by their poster during at least two lunch or tea/coffee breaks over the period of the congress for one-on-one discussion of their poster.
